Wraparound Care

For families that require child care outside of normal school hours we offer wraparound care and activities for children between 7:15am and 8.45am each morning and again between 3.30pm and 5.45pm Monday to Friday. Our own staff are the main carers in the Before and After School Care sessions.

Before School Care

Children can have breakfast at Whoberley Hall and this is provided from 7:15am - 8:30am. Breakfast will be cereals and toast. Following on from breakfast the children will carry out a range of activities until it is time for them to go to their main lessons.

After School Care

At 3.30pm, the children joining After School Care will have a drink and a healthy snack with fresh salad and followed by fresh fruit or yoghurt. We also cater for all dietary needs of the children.. The children follow a mixture of quiet activities including, crafts, drawing, games, jigsaws, painting and reading. The older children may begin their homework.

We also make sure the children do some physical exercise using the playground as much as possible, weather permitting. After School Care is available to all children in school.
