Share A Story

After the great success of 'Share a Story' during the week of World Book Day, we would like to offer this opportunity for parents and children once again. As you may remember, both parents and children could enjoy reading together just before school from 8:45 am to 9:00 am. Just enough time to have a cosy sit down and share your favourite book! You can bring in your own selection from home or chose from books that will be available in the hall. We had some excellent feedback after the last 'Share a Story' week and we are hoping that the second time around will be just as exciting!
