

25th September 2017

Dear Parents/Carers,

At Whoberley communication between the school and parents/carers is extremely important and, as you will be aware, over the last year the class teachers have been using a new communication tool called 'Class Dojo'.

We feel that 'Class Dojo' has proven to be a huge success and hope that you will agree it plays an extremely important part in communicating to you what is happening regarding school trips, homework and other important information concerning your child.

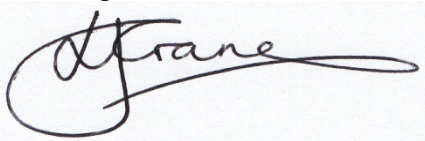

At times you may feel that you would like to speak with your child's class teacher face to face, as we are sure you can appreciate the teaching staff are extremely busy particularly at the beginning of the school day.

If you do need to speak with your child's class teacher can we please ask that you contact the school office who will be more than happy to arrange a suitable time for you to meet. Please bear in mind that teachers do have other commitments at the end of the school day so may not always be able to meet on the same day.

Finally if you do need to contact a member of staff via 'Class Dojo'; we would like to make you aware that after 6.00p.m. in the week and over the weekend 'Class Dojo' may not be accessed by staff, however a member of staff will endeavour to get back to you as soon as they can.

I would like to take this opportunity to thank you for your continued support.

Kind regards,

Mrs LJ Crane
Headteacher
